## WHAT IS VICTORY GAMES?

Once a year Victory Sports Center hosts a friendly Karate competition for all of our students to celebrate the progress they are achieving. All of our Karate students will be polishing their skills so that their confidence builds in a competitive environment.

No extra classes are required because all students will be working these skill sets in their regular classes. If your child just started classes NO WORRIES! All children will be grouped by age and skill level so that no child feels behind. This event is not required but Mr. David encourages all students to participate. This event is a great introduction to an actual karate tournament should your child be interested.

## CAN MY CHILDS FAMILY AND FRIENDS COME TO WATCH?

All students may invite whomever they like to this awesome event. There will be no admission fee and extra seating will be provided.

## WHAT WILL CHILDREN WIN AT VICTORY GAMES?

Each student who participates in Victory Games will be rewarded with competition medals. Each student will receive a medal for each event in addition to an all-around placement medals within their group. Plus, each child will be given a 2018 Victory Games T-shirt that they can show off to their friends and family in the weeks to come! No child will walk away empty-handed!

## WHEN IS VICTORY GAMES AND HOW DO I REGISTER?

This year's Victory Games for Karate will be Saturday, April 7th. Spots for each session are limited. Please be sure that you register early to reserve your child's spot and guarantee their T-shirt size. If you wait to register late, spots may not be available or you may not get the T-shirt size you requested. You will need to register online by visiting our website at [victorysportscenter.tn.com](http://victorysportscenter.tn.com) and using your email address we have on file to log in to your child's account. If you are unsure of what class level your child is in, please call 931-526-4960 or see the front desk.
