WHAT IS VICTORY GAMES?

Once a year Victory Sports Center hosts a friendly class competition for all of our students to celebrate the progress they are achieving. Everyone will be polishing their skills so that a simple routine will be performed and each child has the chance to shine!

No extra classes or practices are required because all students will be working these routines in their regular classes. Karate students will also be practicing their forms, skills and point sparring for this competition. If your child just started NO WORRIES! All children will be grouped by age and skill level so that no child feels behind. This event is not required but we do encourage all students to participate and show off!

CAN MY CHILDS FAMILY AND FRIENDS COME TO WATCH?

All students may invite whomever they like to this awesome event. There will be no admission and extra seating will be provided.

WHAT WILL CHILDREN WIN AT VICTORY GAMES?

Each child who participates in Victory Games will be rewarded with competition medals. Each student will receive a medal for each event in addition to an all-around placement medals within their group. Plus, each child will be given a 2018 Victory Games T-shirt that they can show off to their friends and family in the weeks to come! No child will walk away empty-handed!

WHEN IS VICTORY GAMES AND HOW DO I REGISTER?

This year's Victory Games will be Friday, April 6th OR Saturday, April 7th depending on the Class and Level your child is in. Spots for each session will be limited. Please be sure that you register early to reserve your child's spot and guarantee their T-shirt size. If you wait to register late, spots may not be available or you may not get the T-shirt size you requested. You will need to register online by visiting our website at victorysportscentertn.com and using your email address we have on file to log in to your child's account. If you are unsure of what class level your child is in, please call 931-526-4960 or see the front desk.
