THE CAMPUS

Pre-Kindergarten for ages 2 - 5 Years old

The Campus is designed to provide a happy, healthy, and safe environment where kids can reach personal growth and build character through a well-rounded educational experience to help prepare them for school-socially, mentally, and physically.

Each day at The Campus your child will receive two hours of educational instruction, as well as, one hour out in the big gym for movement and gymnastics activities.

Monday, Wednesday, Friday

8:30 a.m.-11:30 a.m.

Daily: \$25

Monthly: \$200

Educational Instruction:

On your child's first day of class he/she will be tested on their math and reading abilities and then grouped based on their score. This assures that your child will be working with other children that are working at the same academic level .

We will rotate through centers every 15 minutes. Our centers include: Sensory, Math, Reading, Science, Construction, Art, Dramatic play, and one on one/small group instruction.

Holidays or Snow Days:

We follow all of Putnam County's Fall, Winter, Spring, and Summer Break Closings. We almost never cancel class for snow! However, if we do close due to weather we will send out emails, as well as post on Facebook. If we were to close due to weather, your account will be prorated for the missed class.

Preschool Play Time

Rain or shine, hot or cold, your child will be able to come to Victory Sports Center and have some fun! This is a structured play time where we will rotate as a group from one activity to the next. During the three hours your child will have an opportunity to engage in fun activities such as jump on the trampoline, play in the foam pit, and learn how to play cooperative games. We will also do 30 minutes of learning through arts and crafts, center play, and group reading!
