THE CAMPUS

The Campus is designed to provide a happy, healthy, and safe environment where kids can reach personal growth and build character through a well-rounded educational experience to help prepare them for school-socially, mentally, and physically.

Each day at The Campus your child will receive two hours of educational instruction, as well as, thirty minutes out in the big gym for movement and gymnastics activities.

EDUCATIONAL INSTRUCTION:

On your child's first day of class he/she will be tested on their math and reading abilities and then grouped based on their score. This assures that your child will be working with other children that are working at the same ability level .

We will rotate through centers every 15 minutes. Our centers include: Sensory, math, reading, science, construction, art, dramatic play, and one on one/ small group instruction.

HOLIDAYS OR SNOW DAYS:

We follow all of Putnam County's Fall, Spring, and Summer break closings. We almost never cancel class for snow! However, if we do we will send out emails, as well as, post on Facebook if The Campus will be closing due to any weather conditions. If we were to close due to weather, your account will be pro-rated for the missed class.
